standards

escop.ma

Your brand. Our know-how.

Escop is a Moroccan private-label dietary supplement manufacturer. We formulate, manufacture and pack your products to European GMP standards — you focus on your brand and your sales.

Choose a formula from this catalogue and launch it under your brand from 100 units, or ask us to develop a custom formula. A project manager supports you from brief to delivery.

A formula all your own.

Have a specific idea? Our R&D team develops your exclusive formula: active ingredients, dosages, flavours, format and packaging.

- ✓ From 1,000 units per product
- ✓ The formula stays attached to your brand
- ✓ Sample prepared on request
- ✓ Non-disclosure agreement (NDA) on request
- ✓ Multilingual labelling for export

Important information

The formulas shown are indicative and can be customised; their dosages can be adapted to the regulatory requirements of the destination market (Morocco, EU, Gulf, Africa). The client brand remains responsible for the content of its labels, its claims and the registration of its products. Visuals are not contractually binding.

Let's launch your brand.

Send us the references you are interested in: a project manager replies within 24 hours with a detailed quote.
